

Nebraska Association for Infant Mental Health

An Affiliate of the World Association for Infant Mental Health

Membership Application

The purpose of this organization is:

- ◆ To promote and support nurturing relationships for all infants,
- ◆ To provide a forum for interaction and study among professionals, students, and parents
- ◆ To advocate for application of infant mental health principles for services to infants and young children and their families, and
- ◆ To distribute educational materials that promote an increased understanding of infant mental health issues
